About Us

Situated on the Lizard Peninsula, overlooking one of the most southerly beaches in Britain, our pretty landscaped park has been our family run business for almost 30 years.

We are open from Easter until end of October and there is someone always resident on the park to help and assist you throughout the season.

With stunning sea views and warm Cornish climate, we are proud to welcome you to our beautiful little corner of Cornwall. We hope you will find Kennack Sands Park an ideal place for you and your family to get away and relax through the summer.

How it Works

When you buy a caravan from us, it becomes your second holiday home - to make your own.

We encourage you to use it as often as you wish, to enjoy your holiday home in our beautiful little corner of Cornwall!

Like all private caravan parks - we charge a annual Pitch Fee to keep the van sited on our park.

This fee pays for the pitch itself, the management and maintenance of the park & grounds, and includes water and drainage

Our Park wardens live on site, and between us we provide a 7 day presence on the park.

FAQ's

When can we use our caravan?

Our site opens at Easter every year. We close on 31 October. You can use your caravan between these times as much as you wish. Unfortunately we cannot permit owners to live here all year round.

What are the Pitch Fee's?

The annual Pitch Fee is payable, in advance, on the day you purchase your caravan. Other charges are payable, in arrears, at the beginning of November.

What are the contract terms of buying a caravan?

You have security of tenure until the van is 14 years old. Once the caravan reaches 14 yrs of age, we may ask for the van to leave the park (conditions apply).

Can we sell our caravan?

You can sell your van to whoever you want but we would ask for the first refusal. There will be a transfer fee of 15% payable on any sale, unless to other (bona fide) members of your family. We would be happy to sell the caravan on your behalf.

Can other people use our caravan?

Friends & family are welcome to stay in your caravan, however sub-letting is not permitted.

What's the arrangement for Utilities?

All caravans are on mains drainage. Electricity is metered and the gas is bottled. You buy gas bottles from us directly at a separate charge.

Can we bring the dog?

Yes, pets are always welcome and we are dog-friendly. The usual dog rules apply – they must be kept on leads and we discourage leaving them in the vans alone whenever possible. Kennack Sands beach is excellent and allows dogs all year round.
