COUNTRY HOLIDAY PARK

Set on the banks of the river Lugg, and nestled amongst the rolling green hills of Radnorshire, Rockbridge Country Holiday Park is the perfect escape from the fast paced modern world.

A mile outside the border town of Presteigne and only 30 minutes from the market towns of Ludlow & Leominster the park is a perfect base to explore the borderland where England meets Wales.

This 5 Star holiday park has a Silver David Bellamy award and is surrounded by ancient trees and hedgerows. The river Lugg meanders along the edge of the park creating a haven for wildlife.
